* Injection Molding Machines *

Product Details:	
Shot weight	110 gm
Injection Pressure	200 mpa
Preplasticed Stroke	140 mm
Clamp Tannage	80 Ton

Heat Power	6 kW
Brand	Vardhman
Automation Grade	Automatic
Clamping Force	0-100 ton
Power Source	3
Machine Weight	1700 kg
Oil Tank Capacity	225 Litre
Screw Diameter	32 mm

Vardhman Have the Expertise in Making Superior Quality INJECTION MOULDING MACHINE, which customer requirement completely.

With the Aim to Provide best after Sales services, we are serving Pan India. For more details visit :
