We are trendsetting manufacturers and suppliers of a range of Cotton Products. As service providers, we are pioneers, offering Absorbent Cotton Plant Consultancy Service, among an array of other services.

About Us

Established in the year **1989**, **Rathi Chemicals** is the leading manufacturer, supplier and service provider of Cotton Products. Our range of products include Absorbent Cottons, Surgical Cotton Machines and Roller Bandages. As service providers, we are offering Turnkey Projects for Bandages and Surgical Cotton and Absorbent Cotton Plant Consultancy Services to our precious clients at market leading prices. Our products, which undergo rigorous quality control measures, have garnered a top reputation for their unique attributes such as neat design, optimum absorption capacity, softness, hygienic packaging and durability. Since our products are fabricated with advanced technology and raw materials, we have established a vast clientele across the country.

For over 25 years, we have earned the trust of many of India's topmost organisations. But this wouldn't have been possible without a solid infrastructure. Our manufacturing facility, equipped with latest technology systems and machinery, is on par with any top global player. Thanks to our large production capacity, and punctual workforce, we have been able to meet the bulk demands in the most efficient and streamlined manner.

Under the dynamic mentorship of **Mr. Prakash Rathi**, our proprietor, we have scaled unforeseen heights. Mr Rathi, who possesses more than 30 years of expertise in this domain, challenges and motivates our workforce to sustain our standard of excellence.
